

URISA Texas 2023 - 2024 Scholarship

URISA Texas is pleased to announce applications for the 2023-2024 scholarship awards are now open for submission. URISA Texas is a chapter of the Urban and Regional Information Systems Association (URISA), that provides professional education and training, a vibrant and connected community, advocacy for geospatial challenges and issues, and essential resources. We foster excellence in GIS and engage geospatial professionals throughout their careers.

Purpose

This scholarship provides URISA Texas the perfect opportunity to encourage and assist in further education, whether that be the beginning of your GIS journey or the continued growth of your career. The URISA Texas Scholarship is intended to aid students with tuition and other expenses associated with postsecondary studies.

Eligibility

The scholarship is open to any Texas resident currently enrolled in an associate, undergraduate, graduate, or certificate program involving GIS/Geography. Document requirements include proof of Texas residency and an official acceptance letter or course registration from a University or College program.

Application Process

The application process consists of the Scholarship application form, a short essay, and a map component. The details for these submissions are provided on page 2. The deadline for submission is June 14, 2023 by midnight. A lack or a wealth of experience will be taken into account during the judging process to make the scoring fair for all regardless of the applicant's level of experience. The scholarship committee will review all applications and notify the winners by July 28, 2023. Only applicants that meet ALL REQUIREMENTS will be considered. Questions and entries should be sent to scholarship@urisatexas.org.

Award

The scholarship consists of 4 award levels:

- 1st Prize - \$1,000 Check
- 2nd Prize - \$750 Check
- 3rd Prize - \$500 Check
- Crowd Favorite - \$250 Check

Winners will be acknowledged with their headshots and short bio on the URISA Texas website and in social media.
